Education

Higher Secondary Certificate (HSC)

college: Dr. Abdur Razzak Municipal College

I completed my HSC in Science from Dr. Abdur Razzak Municipal College, where I built a strong foundation in mathematics, physics, and computer science, sparking my passion for technology and web development.

Bachelor of Science (B.Sc)

Jessore Cantonment Collage

I am pursuing my B.Sc from Jessore Cantonment College, further strengthening my academic and technical foundation.

Master of Science (M.Sc)

Govt. Michael Madhusudan College

I am pursuing my M.Sc from Govt. Michael Madhusudan College, further expanding my knowledge and skills to excel in my career as a web developer.

About Me

I am Sharmin Akther, a passionate and detail-oriented Front-End Web Developer specializing in creating dynamic, responsive, and visually appealing websites. With expertise in HTML, CSS, JavaScript, and frameworks like React, I focus on delivering seamless and engaging user experiences. I enjoy transforming ideas into functional and aesthetically pleasing digital solutions. Committed to continuous learning, I stay updated with the latest trends and technologies to enhance my skills and deliver innovative results.

Technical Skills:

- **HTML5 & CSS3:** Proficient in crafting semantic, accessible, and visually appealing web pages with the latest standards.
- **Bootstrap & Tailwind CSS:** Skilled in utilizing these frameworks for efficient and responsive design, ensuring seamless device performance.
- **JavaScript & jQuery:** Strong command over JavaScript for building interactive and dynamic web functionalities, complemented by jQuery for streamlined scripting.
- **React:** Experienced in developing single-page applications with React, and making user-friendly interfaces.
- **Node.js:** Adept at building scalable and high-performance server-side applications with Node.js, handling APIs, and managing asynchronous operations effectively.
- **MongoDB:** Skilled in designing and managing NoSQL databases with MongoDB, ensuring efficient data storage and retrieval for web applications.
